Company Profile

Accent

ABOUT US

Accent Fashion Accessories are a leading wholesaler for both women and men's fashion accessories, based in the heart of Manchester, England. Originally established in 2004, over the past decade Accent has seen significant growth and are now supplying to over 6'000 customers world wide including both high street and online retails such as ASOS and NEXT/Lipsy to name a few. Originally known for specializing in both men's and women's sunglasses, due to continued growth Accent have branched out into other accessories including hats, bags, scarves, jewellery and other soft accessories. In doing so Accent has carved a name for its self as the specialist for the popular urban and chic culture accessories. As a family run firm we retain the strong values of quality service and reliability in which upon the company was founded. Our finger is firmly on the pulse of festivals, music and the urban culture anticipating and setting new trends for upcoming **collections**.

Design

'Here at accent we have an inhouse talented and dynamic design team that come from creative industries and are established markers in the accessories industry. Equipped with regular global sourcing trips our design team are able to offer on trend fashion led pieces to the market that are sure to make a statement and lead market trends.

Sourcing

At Accent we source our products from all over the globe and manufacture a lot of our products from the Far east, in which all our suppliers comply to local and international labour standards. We have QC functions put in place with all of our suppliers ensuring al products are inspected prior to shipment ensuring our product performance standards are met. All of the products we manufacture are safe and comply to meet all international chemical compliance standards including our sunglasses in which all suppliers are FDA approved.

CUSTOMERS

Accent Fashion Accessories customer base includes exporters and wholesalers, along with multiple high street store and online retailers, who are renowned as some of the top retailers in the UK and globally.
